

RETURN POLICY

The Harris Health System website is a joint program between Harris Health and Corporate Incentives, Inc. Customer satisfaction in the Harris Health uniform program is our number one goal. Our shipments are carefully inspected before leaving the warehouse. In the event you have received incorrect or damaged merchandise, we offer the following return policy.

Returns

All orders placed through the Harris Health System website are considered custom orders. Apparel items are not stocked and orders are placed once a month on an as-requested basis. Therefore unless the item is defective, we cannot accept returns.

Garment Sizing

Garment sizing can vary among manufactures and styles. Harris Health owns sizing samples for employees in Eligibility, Patient Access and CHP Registration departments. Please consult with your manager and refer to the Sizing Chart before placing your order. Incorrectly ordered sizes cannot be exchanged or returned.

How to Request a Return

Return claims must be filed with the customer service department within 7 business days of receiving your order. All defective material must be returned along with a copy of your order/invoice in order to receive credit or replacements. Please call 281.362.0532 or email us at debbie.meyer@corp-inc.com to process your return.
